FENCING ACADEMY

APT, DE REU TAKES THIS METHOD FENCING CLASSES.

FOR LADIES,

YOUTHS CLASS.

He will also open a school for boys under 15 years of age, and will give lessons for \$6. In teaching the art of senting to juvenies, Captile Reu has adopted the well-known system of Gymastile under the circumstances. We learn that the detention was caused by a train, the locomotive of the celebrated Protessor Lingo. By his aystem youths will acquire noble carriage, an easy natural step, genteel manuers, and at the same time it will accomplish and strengthen the body. It is generally known that in a strong body there is a strong soul; and young men will soon find out the advantages they enjey, in the possession of a strong soul; and young men will soon find out the advantages they enjey, in the possession af a strong soul; and young men will soon find out the advantages they enjey, in the possession af a strong soul; and young men will soon find out the advantages they enjey, in the possession af a strong soul; and young men will soon find out the advantages they enjey in the possession of a strong soul; and young men will soon find out the advantages they enjey in the track near Ft.

We were exchanging compliments with the cinciunati people.

We were infurmed that the Cinciunati people had no voice in making arrangements for the track near Ft.

Capt. De Reu will open a Fencing Club three times a week, for members of his clauses, where he will meet with them and practice with them each evening. His charge wil be for these necessary meetings for practice but \$1 per month. Fers determined to give a staisfaction to those who patronize him. Fersons desiring to enter the clauses will please apply sook.
